Dedication

Mrs. Edna Nelson has been a member of the LHS teaching staff for four years. The Annual Staff feels that she should be commended for the wonderful work she has done and the consideration that she gives to everyone. We, therefore, dedicate this, the 1956 Flambeau Ripplings, to Mrs. Nelson, a most deserving teacher.

Superintendent's Message

MR. SCHIOTZ

It has been said that that which you hold in your heart is eternal, but that which you hold in your hand is temporal.

I shall not discuss the merits of the above statement, but there is something for us to ponder. As students of literature you have found that only the good literature endures. Working with theories in science and mathematics, you have learned that only statements of truth last. Statements in history are treated as truth or fiction depending on supporting evidence.

That which we hold in our hands, so to speak, may be in the form of money or evidence of property ownership. Quite often it doesn't last too long, or property may quickly change hands.

The good that we may do, the service that we can give to our school and community, and the friendships that we make are much more enduring than material things. Many of you students have a good start in storing up treasures that are long lasting.

. . . will linger here . . .

On the bright morning of September 2, 1952, a shy group walked through the doors of L. H. S. It was the Senior class of 1956! The first year they elected Louie Bruger, President; Virginia Ralston, Vice President; Claramae Hanson, Treasurer; and Carol Barber, Secretary.

1953 was the second year of their high school days. They elected Carl Spiegelberg, President; Jim Fecteau, Vice President; Jack Fair, Treasurer; and Pat Anderson, Secretary. Their big event this year was the Christmas Dance which had the theme "Christmas Island." Carl and his queen, Juanita Barten, led the Grand March.

At last they're Juniors and upperclassmen! This is the year of excitement with class rings and the Junior Prom. Bob Dosedel was elected President; Jim Fecteau, Vice President; Sandra Loga, Secretary. Bob and his queen, Carl Musser, led the Grand March at the prom. The theme was "Under Hawaiian Skies." In February they received their rings. On October 18 they presented the roaring comedy "Act Your Age."

Seniors finally! They elected Bob Rasmussen class President, with Byron Pickering, Vice President; Louie Bruger, Treasurer; and Carol Barber, Secretary. They presented the class play on February 16; the name of it was "Mollie O'Shaughnessey." May 27 was the date of Baccalaureate with the following day Commencement. Seventy Seniors left their high school days behind May 30 -- ready to face the world.

"District Champions"

The baseball team of LHS had a very outstanding record in the spring of 1956. They battled their way to the position of co-champions in the Heart-of-the-North conference. On Wednesday, May 23, 1956, they suffered only their second loss of the season, giving way to the Eau Claire Old Abes 12 to 1--this, in the last game of the Sectional Tournament. Congratulations to the team and Coach Zorn on a job well done.

COACH KOHLS

Coach Kohls' boys turned in a creditable record this spring placing third in the conference, seventh in the Rice Lake Invitational, and eighth out of 19 entries, at the Eau Claire Invitational. Russ Fabricius and Paul Bishop--co-captains for next year's team--represented LHS at the state track meet in Madison.

Predictions are for an even stronger team next year with a fine nucleus returning.
